

ARCHITECTURAL REPLACEMENT APPLICATION
SHORT FORM
2016

Use for replacement of such items as outdoor light fixtures, doors and/or windows to be installed in the existing space, house numbers, etc.

Use this form if replacing deck material only - examples: replacing wood with trex, replacing cement with stamped concrete. Add a sample (brochure) of material to be used.

For installation of (or changes to) a deck, an addition, a patio cover, a fence, a patio screen, solar roof devices, etc., use the Residential Improvement Application Form.

Visit our website for complete home improvement guidelines: <http://gevhoa.net>. The Guideline document is listed under ARC forms.

Leave the original and a copy of this form at the club. The copy will be returned to you after the ARC review.
